EXPERIENCE

Yellow Fryum | Customer Acquisition + Frontend Developer Intern Remote | March 2022 - Present

- Finding small businesses in the USA that need help in finding more clients for expanding their business. Primarily involved in marketing & advertising and developing websites to attract customers.

AirMenus | Operations + React Developer Intern

Pune, India | Dec 2021 - March 2022

- Initially, worked as an Operations Intern and helped in uploading the menus. Later, designed a dashboard to help the operations team with faster onboarding and uploads of menus. Daily work included solving client issues and improving the dashboard technicalities.

DevStack Solutions | Fullstack Developer Intern

Remote | Feb 2022 - March 2022

- Was assigned two tasks. 1. Created a static website using a frontend framework (React) 2. Created a real-time-chatting application using PHP/MySQL that helped users communicate with each other.

TCR Innovation | Frontend Web Developer Intern

Remote | Jan 2022 - March 2022

- Worked in a team of 10 and helped the organization in creating their website to attract more users. Worked on small projects as assigned by the Sr Dev.
